

WE SAVE CARBON WITH
vegware 
packaging made from plants

**BETTER
FOOD** 
Organic. Local. Ethical.

PLA
plant-based

81%
less carbon
than plastic

PLA-LINING
plant-based

72%
less carbon
than plastic

in the past 6 months...

we have saved
142kg
of carbon

we have saved
68kg
of virgin materials

that's like
cancelling
out the carbon from

4 flights
from London
to Paris

we have diverted
317 kg
of finite resources
